

EUROPEAN MOBILITY WEEK

16-22 SEPTEMBER 2021

Move sustainably. Stay Healthy.

CHARTER 2021

Signing this charter is not compulsory. However, your local authority can use it to illustrate their commitment to the campaign's message, even if they do not meet any of the following three participation criteria:

- Organising a week of activities, from 16 to 22 September 2021, taking into account the annual theme of 'Safe and Healthy with Sustainable Mobility'
- Implementing at least one new permanent measure which contributes to modal transfer from the private car to an environmentally sound means of transport
Where possible, this or these measures should be a permanent reallocation of road space in favour of walking, cycling or public transport (e.g. road closure, wider pavement, new cycle or bus lane, new traffic calming scheme, lower speed limit)
- Celebrating Car-Free Day, setting aside one or several areas that are reserved solely for pedestrians, cyclists and public transport for at least one whole day (i.e., 1 hour before to 1 hour after normal working hours).
Car-Free Day should preferably be held on Wednesday 22 September 2021

We the undersigned hereby declare that we shall participate in EUROPEAN MOBILITY WEEK 2021:

On behalf of the local authority of.....
